CHECKLIST | POST-CORONAVIRUS WORKPLACE PREPAREDNESS

The COVID-19 pandemic has changed many aspects of the current workplace, and hygiene and cleanliness are key topics when creating post-coronavirus workplace plans. Based on guidance from the Public Health Agency of Canada, there are actions employers can consider. By taking workplace preparedness steps such as updating office layouts, encouraging new behaviours and evaluating existing policies, employers can help prevent the spread of COVID-19 and protect the health and safety of employees. To get started, employers can review topics on this checklist.
